

USED MACHINE REGISTRATION POLICY

In order to better service Okamoto equipment that is purchased pre-owned (used equipment), starting January 1, 2004, Okamoto will require the equipment to be registered with Okamoto. This registration system will allow us to track machines from the initial sale their current status. The registration fee schedule is as follows.

| | |
|--|------------|
| 1. Hand-feed Grinders | \$ 500.00 |
| 2. Automatic Saddle Grinders | \$ 800.00 |
| 3. Column, IGM, OGM, CNC and Specialty Machines | \$1,200.00 |

These are 1-time fees. For customers who choose not to pay the one time registration fee, there will be a charge of \$100.00 per call per subject when they contact Okamoto for technical support (payable via major credit card).

Okamoto staff will not provide technical support services to customers who fail to register their used equipment with Okamoto.

Your cooperation is appreciated.
